

If you're looking for a summer internship with an impactful organization whose mission is to change lives and make a positive impact, we're your perfect match!

[City of Refuge](http://CityofRefuge.org) is a faith-based nonprofit in Atlanta, Georgia that helps families and individuals transition out of crisis by providing Housing, Housing & Wellness, Job Training, and Youth Development services to those in need. We have three different departments looking for summer interns:

1. **Youth Development Department:** Summer Camp Counselors (Perfect for students pursuing a degree in Social Work, Education, HDFS, School Counseling, or a related major)
2. **Development Department:** Fundraising, Volunteer Management, Donor Development (Perfect for students pursuing a degree in Nonprofit Management, Organizational Development, Data Analytics, PR, or a related major)
3. **Housing Department:** Case Management, Housing Admin, Curriculum Building (Perfect for students pursuing a degree in Social Work, Counseling, HDFS, Psychology, or a related major)

**All applicants must email Katie Monson at [kmonson@cityofrefugeatl.org](mailto:kmonson@cityofrefugeatl.org) with their resume and department interest(s).**

These internships are around eight weeks long. Dates and hours vary based on department.

Our Housing and Youth Development Departments are seeking multiple interns for the summer to contribute to their life-changing work, and our Development Department is looking for one stellar intern!

Each internship has different roles and responsibilities for their interns. You can expect a summer filled with networking opportunities, shadowing industry professionals, community, project-based learning, and a final internship presentation at the end of the summer to add to your portfolio.

Cover letters and a letter of recommendation is welcome but optional.

Applications are open until filled or May 10th.

Thank you for your interest!
