

CITY OF REFUGE

Empowering the will to be
transformed.

How will you
shine a light?

cityofrefugeatl.org

The most powerful and inspiring way to help people in need is leading them to a sustainable, healthy, and productive life – no longer in need. It's not quick. It's not easy. But it does break the cycle of self-destruction for so many in our community.

At City of Refuge, these stories of transformation not only belong to our residents and students, they also belong to people – like you – who give of themselves, so that together, we become the change we want to see in the world. It's up to you. With your help we can do so many things for the people who need our help.

Empowering the will to be
transformed.

SPONSORSHIP LEVELS | What's included?

A sponsorship of City of Refuge goes far beyond a relationship with the leaders of the organization. Our ever-broadening support base and footprint will help to grow your brand awareness and associate your name with a cause to which many people are passionately dedicated.
